

# LOGAN FIRTH

## PERSONAL STATEMENT

 07878168984  
 loganfirth173@gmail.com  
 <https://github.com/loganghy>

My personal aspirations is to become a website developer as i enjoy doing code and seeing everything coming to life on the page

I am hard-working and have good communication skills. I can work independently and as a team. I am eager to learn, and I ask follow up questions to understand and expand my learning experience.

## SKILLS

- CSS/HTML
- PHP
- Python
- GIT

## EXPERIENCE

### SOFTWARE DEVELOPER

Tribus Digital

2025- 2026

- when i first joined tribus i learn website development using free code camp and udemy courses, these websites allowed me to enhance my knowledge on website development both front-end and back-end. As well as learning this, i also learnt figma basics and how to design basic website pages. As well as the basics of the digital side of marketing such as how advertising helps companies grow their businesses.
- I had to attend standup meetings where i had to give progress on my tasks and what i was doing for the day, enhancing my social skills and taking responsibility.

### WEBSITE DEVELOPER

Parallax

2022- 2022

I gained exposure to the very start of coding website pages, how to code in html and css, it is because of this that i decided to pursue website development. As i was learning about coding websites i was also learning soft skills such as: communication with my colleagues, problem-solving when code was wrong and adaptability to coding and having the passion to code websites.

### CYBER SECURITY WORKSHOP

2023-2023

- learnt how to attack and defend against hacks and how firewalls work

## EDUCATION

### SECONDARY SCHOOL

Mount St Marys High School  
2019-2024

### QUARRY HILL COLLEGE

Leeds City College  
2024-2026
